

This concert is sponsored by Caltech's Office of Student Affairs, the Friends of Instrumental Music, and the Donald E. Hudson Chamber Music Fund. Dr. Richard Hudson established the fund in February of 2001 in memory of his brother and fellow Caltech alumnus, Donald. A lifelong lover of chamber music, Donald Hudson served as professor of Mechanical Engineering at Caltech. Donald E. Hudson Visiting Artists Hye Sung Cho (flute) has been an integral part of Caltech's student chamber music program this term as coaches of several student ensembles. We also wish to acknowledge the generous assistance of the Richards Instrumental Music Fund, which supports private lessons for Caltech Students.

Caltech's Chamber Music Program was established in 1979, with Delores Bing as its founding director. Chamber Music shares the goals of the other Performing and Visual Arts courses on campus: promoting cultural literacy, creative expression, and artistic achievement; providing stress relief; and encouraging the formation of new friendships among artistically-inclined Teachers.
